St George is proud to be a member of The Berkeley Group, one of Britain's leading developers.

We create fantastic homes in amazing places. The idea of placemaking lies at the heart of the business, creating strong communities where people enjoy a great quality of life.

St George has extensive experience of working in Kingston. Projects include Charter Quay on Kingston's riverside, Royal Quarter, Regents Place and Thames Wharf / Steadfast Sea Cadets. In December 2014, we submitted a planning application to transform The Old Post Office Site into a high quality mixed-use development with new homes, shops, restaurants, offices, and community space set in the heart of a new public square.

St George is committed to supporting the communities where we develop and ensuring that local people benefit from employment and training opportunities.

We are delighted to offer The Old Post Office as a venue for KAOS' art exhibition during the Open Studios and look forward to seeing the pieces that will be shown.

20% of any sales during the exhibition at the Old Post Office will be donated to the local charity 'Love Kingston.'
