Please join us in the grounds of Dorich House Museum for refreshments and live music, celebrating the launch of Kingston Artists Open Studios and the conclusion to Kingston School of Art 2019 Degree Shows and our Studio Residency with artist [Hen Coleman](#).

Inspired by the orchard garden at Dorich House Museum and the proximity to Richmond Park, Hen Coleman's residency, entitled Black Wood, will involve making a new body of drawings, using charcoal which the artist intends to make herself from the wide variety of woods available from the Museum gardens. Hen Coleman is a graduate of the University of the Creative Arts (2003) with a Masters in Printmaking from the Royal College of Art, London (2006). Her studio practice is based in Oxfordshire

Both Dorich House Museum and [The Stanley Picker Gallery](#) will be taking part in Kingston Artists Open Studios weekends and at our garden party will be welcoming artists who live in the area and are taking part in the Open Studios events in Kingston. Dorich House Museum and The Stanley Picker Gallery will be participating in Open Studios on 8 and 15 June, from 11am to 5pm
